EXPLORE INSIDE...

## THE WORLD OF MANAGEMENT & SCIENCE

## “ ABOUT US

MIMS (Mangalore Institute of Management & Science) started with a vision to stamp its foot in the academic world and is already a landmark in Bengaluru in a short span. It's an institution with insatiable thirst for academic excellence and holistic development of students. With its unique academic design coupled with dynamic faculty, the institution has consistently delivered market-ready graduates

The College is affiliated to the prestigious Bangalore University and recognised by the Government of Karnataka

## OUR LEGACY

---

MIMS has sent out numerous batches of students since its inception in the year 2014. The College has an exceptional record in ensuring near-hundred percent results & excellent placements. The College is also rendering service to the local community by taking up many awareness & service programs.

# FACILITIES

## *Library with Internet Access*

The Library houses all the relevant journals, newspapers and magazines along with the regular stock of textbooks. The ambience is well suited for reading and reference works. The library also has an exclusive stock of books for SC/ST students as per the mandates of the university. Access to computer and internet is made available to make the library experience tech-savvy.

## *Spacious Seminar hall with Audio - Visual facility.*

The College has a huge seminar hall with a seating capacity of around 400 students with audio-visual facility.

## *Computer Lab with state of the art facilities*

The Computer lab is equipped with state of the art facilities with access to internet.

## *Spacious & ICT enabled Classrooms*

The classrooms are tailor-made to suit the needs to ensure effective classroom communication. They are equipped with Information Communication Technology (ICT) facilities to enhance the classroom experience

## *Business Lab and English Lab*

To fine tune the smartness and communication skills of the students, the College has designated Business Lab and English Lab.

# PROGRAMS

---

## *B.Com (Bachelor in Commerce)*

Bachelor of Commerce (B.Com) program offers a platform to hone the skills of Accounting, Statistical Analysis, Tabulation. The program is designed by Bangalore University comprising six semesters under Choice Based Credit System (CBCS). Students with matriculation in any subjects can join this program.

## *BBA (Bachelor in Business Administration)*

The Bachelor of Business Administration (BBA) program offers knowledge and training in management and leadership skills to suit managerial roles and entrepreneurial roles. BBA is one among those courses that includes foundation, core, elective and skill based subjects which provide a clear understanding of the business-oriented concepts. BBA Course is designed to provide a basic understanding of management education and to train the students in communication skills effectively, which inculcate entrepreneurship skills and decision making.

## *BCA (Bachelor in Computer Applications)*

The BCA program offered by the college is a three-year full-time program affiliated to Bangalore University. The CBCS syllabus designed by the University provides students best of opportunities for professional careers as well as higher studies in the area of Management.

With the emergence of technology and digitalization, the scope of technology has redefined the basis of human livelihood, thus making computer skill the most vital skill set of today's era.

It is extended over six semesters. This course is generally perceived as an alternative to computer science and information science engineering. The course is designed to bridge the gap between IT industries and institutes by incorporating the latest developments into the curriculum. Well trained BCA graduates are in demand in almost every industry with varied skill sets. Huge job opportunities are available especially in tier two and tier three sectors.
